Decatur Farm to School (DF2S)

is a Wylde Center program that works to improve nutrition, knowledge of where food comes from, hands-on outdoor education, environmental awareness, and appetite for fresh fruits and veggies by leading efforts in the classrooms, cafeterias, communities, and gardens of the City Schools of Decatur. <http://wyldecenter.org/decatur-farm-to-school/>

Community Garden at Wylde Center

435 Oakview Road, Decatur, GA 30030 (404) 371-1920

The Wylde Center actively engages youth, families, and individuals in their environment, health, and community through organized programs, classes, and events that develop creative skills in sustainable urban living, organic gardening, health and nutrition. The Wylde Center serves as community garden, nature center, neighborhood meeting space, and wildlife habitat that is open for all to experience the potential of urban greenspace.
